Peter Blum Family YMCA  
**Boca YMCA Preschool Renovation**

January 26, 2026

Dear YMCA Members and Program Participants,

I am excited to share that on Monday, January 26th, we will begin an important expansion of our preschool. This project will allow us to serve approximately 34 additional children, helping meet the growing need for high-quality child care in our community. This expansion reflects our continued commitment to supporting families and strengthening our community.

As construction gets underway, we will communicate updates as frequently as possible. We truly appreciate your patience and understanding as we work to complete this project as quickly and safely as possible. During this time, we kindly ask members and participants to plan accordingly and allow extra time to find parking so they can arrive on time for their scheduled program or activity.

To help minimize disruption, please review the following parking information related to the preschool and construction:

- In the preschool area, there are designated preschool parking spaces clearly marked with signage. These spaces are strictly reserved for preschool drop-off between 7:30 a.m. and 9 a.m. and for preschool pickup between 4 p.m. and 6 p.m., Monday through Friday. Outside of these hours, members and participants are welcome to use these spaces.
- A limited number of parking spaces will be temporarily blocked off for construction purposes. These areas will be clearly identified with barriers in the parking lot.
- Additional parking will be available in the St. Jude parking lot, accessible through the gate at the back end of our YMCA parking lot. This gate will be open starting at 4 p.m., Monday through Friday, and will also be open on Saturdays from 7 a.m. until 5 p.m.

If you are participating in activities on the field and need to pass near the construction area, please be mindful of your surroundings, closely supervise your children, and watch your step as you move through the space.

We are incredibly excited about this expansion and the positive impact it will have on children and families in our community as we grow together. Thank you for your continued support and for being part of our YMCA family.

In Good Health,

**Bryan Hunt**
